

III. AMENDMENTS TO THE DRAWINGS:

In the enclosed Submission of Proposed Drawing Amendment for Approval by Examiner, FIG. 1 (drawing page 1/8) has been revised to comport with the specification and to comply with the request of the Office by placing the word “PAIRING” within dotted lined box 23 containing NP 24 and NO 28; within dotted lined box 27 containing NP 25 and NO 30; within dotted lined box 29, containing NP 26 and NO 32; within dotted lined box 41, containing NP 40 and NO 46; within dotted lined box 43, containing NP 42 and NO 46; and within dotted lined box 45, containing NP 44 and NO 48. This is done to illustrate that an NP and an NO within a dotted lined box comprise a pairing. Applicants have also placed the word “PAIRINGS” within dotted lined box containing NP 24, NO 36 and NO 38. This is done to illustrate that NPs and NOs within a dotted lined box comprise pairings.
